Sand Free Primer

DESCRIPTION:

Transtar's Sand Free Primer is a 1K moisture cured urethane primer that is designed for use under the Only One Bed Guard, #4854-KIT/4864-KIT. Used properly, the application of this primer under the Bed Guard eliminates the need for sanding the truck bed. It dries quickly and is an easy to use 1K primer. Sand Free Primer provides significant labor and time savings!

TECHNICAL DATA:

APPEARANCE:	Black
SOLIDS:	20% by weight
V.O.C. CONTENT:	3.40 #/gal (407g/l)
POT LIFE:	24 hours
SHELF LIFE:	1 year unopened
MIX RATIO:	Ready To Use

SURFACE PREPARATION:

Sand Free Method

Note: This method requires the use of Transtar Sand Free Primer #4884 which is sold separately from the bedliner kit.

Sand Free Primer is intended for use only with Only One Bed Guard #4854-KIT/4864-KIT. Thoroughly clean the areas to be sprayed with soap and water. Rinse well and dry. Degrease surfaces with a solvent degreaser such as Speedi Scat and let dry. Mask off areas not to be sprayed.

APPLICATION:

Apply one medium wet coat of Sand Free Primer, #4884, (DO NOT REDUCE) using a 1.3/1.4 HVLP spray gun with equivalent settings as for other primers. Allow primer to dry at least 30 minutes or until it is dry to touch before application of Only One Bed Guard.

DRYING SCHEDULE:

Allow primer to dry at least 30 minutes or until it is dry to touch. Spray or roll the bedliner according to the Application Instructions provided with Transtar's Only One Bed Guard Kit #4854-KIT/4864-KIT.

KEEP CONTAINER CLOSED WHEN NOT IN USE!

SALES POINTS:

- Use with #4854-KIT/4864-KIT to eliminate need for sanding
- Improves vehicle throughput, less time spent preparing the bed to be lined
- Provides significant labor savings & reduces cycle time

(Refer to Material Safety Data Sheet for proper handling of products listed in this bulletin).

PACKAGE SIZES:

#4884 Sand Free Primer, Quart (0.946 L), 6/case
